St Charles' Feast Day

This week, each class had a special liturgy to celebrate St Charles' Feast Day.

Year 2 were very interesting in learning about our school badge and the different elements which tell us about St Charles' life.

Children in Need

Friday 13th November is Children in Need. One of the themes this year is mental wellbeing and feeling healthy and happy. Therefore on Friday, we are asking children to come to school in their own clothes. We would like the children to wear either **spotty** clothes. If you do not have anything spotty then you can wear some **sports with a difference** clothes.

This could be a spotty t-shirt or dress or your football or dance kit.

Please do not go and buy anything special.

Wear something you already have at home!

As part of the day, the children will be taking part in a special PE session with Joe Wicks over the internet to help them start the day feeling healthy and happy!

Antibullying week

The theme for this year's Anti Bullying week is 'United Against Bullying'. As a community, we strongly believe that every child is unique, but are also treated equally. To express and celebrate our individuality, on **Monday 16th November**, we want as many children as possible to wear their most outlandish odd socks to school. Throughout the week, we will also be spending time focusing on what Bullying is and how we as a community can be united against bullying.

Health and Safety

Thank you to all those who have followed our request to wear masks at drop off and picks up, a time when it is difficult to maintain social distance.

By wearing a mask, you are helping us in our effort to ensure that all members of our school community stay safe and healthy which in turn, allows us to maintain sufficient staffing levels to keep the school open safely.

Important Dates

11/11/20—Remembrance Day

13/11/20—Children in Need

16/11/20—Anti-bullying week

Art Week

Last week was Art week at St Charles and all of the children really enjoying learning and developing their skills.

Year 6 spent the week studying Picasso and learning all about in style to create their very own art gallery in school. What fantastic work Year 6! Well done!

Year 2 have spent the week looking at Aboriginal artist Anthony Tumbull and explore how he used earth colours as well as cross-hatching, hatching and dotting to create his art work. They then used these techniques to draw and then print their own work in his style.

Remembrance Day

On Wednesday 11th November it is Remembrance day. Unfortunately, we are unable to gather for whole school acts of worship but each class will spend time reflecting on the day in the class with a special class liturgy.

Home Learning

Last week, you will have received further log on details for access Google classroom at home, as well as a number of educational website we subscribed to, to support learning. If you have any problems logging in, please see your child's teacher who can provide additional guidance.

Timetables Rockstars

We have joined the battle to be crowned Timetables Rockstar Champions! Help team St Charles rise to victory by practicing your timestables as much as you can this week by logging on to your account at school or at home.

Meet the Key Stage One Team!

Over the next few newsletters we would like to take the time to show you which adults in school are working in the different phases.

This week we will look at the **Key Stage One Team**

Our Key Stage One staff are a very welcoming and friendly team. They are always on hand to help the children with their learning and enjoy their learning and time in school.
