## Home Learning

Whilst the children have been working at home, it has been fantastic to see so many of them access their learning through Google Classrooms. Google Classrooms is a fantastic platform on which teachers can provide learning for the children and give instant virtual feedback and support to help the children move their learning on. If you are having any problems access Google Classrooms, please see your child's class teacher. Over the next few weeks, we will be taking time to support the children with accessing different types of activities in Google Classroom to support their learning at home.

### EYFS and Key Stage 1 Nativity Day

**Wednesday 16th** is Nativity day in EYFS and KS1. The children will be doing lots of different activities about the Nativity story and are invited to wear a Nativity costume for the day. This could be one you already have at home, or a home-made shepherds costumes. **Please do not go and buy a new costume.**

### Christmas Jumpers

**Thursday 17th December** is Christmas Jumper day! Children are able to come to school in a Christmas Jumper. During they day, they will enjoy carols around the Christmas tree and their Christmas dinner. If you do not have a Christmas jumper, you can wear red or green instead. **Please do not go and buy a new jumper.**
