

EYFS

What will we be learning next week?

During the first few weeks we have welcomed new and returning pupils. We have spent time learning our new friends' names and enjoying playing with friends we have not seen for a while. We have also been learning about the school rules and exploring our learning space.

Reading and Writing

FS1 have started working on their speaking and listening skills ready for them to be confident readers.

FS2 have started their RWInc lessons. They are learning a new sound everyday. Be sure to ask them what sound they have learned each day.

PSHE - Jigsaw

As we return to school, we will be having regular check-ins with all children to make sure they are happy as they settle back into school. In our Jigsaw work, we will also be exploring how we can keep ourselves and other people safe as we return to school.

Theme – The Colour Monster Starts

School

This week we covered covering 'The Colour Monster Goes to School'. We read the book and explored the different feelings about starting school. We will also start looking at how other people feel and how to recognise those feelings.

Maths

In Maths this week we will be looking at patterns. We will be exploring different patterns we can make with our body. We learnt a song about patterns:

<https://www.youtube.com/watch?v=BQ9q4U2P3ig>

We then explored making patterns with different objects.

Physical Development

F2 started PE this week and F1 enjoyed joining them for the first session. We explored how to skip and gallop. Ask your children to show you their skills.

We have also been practicing our scissor skills.

RE

In RE we have been learning about who St Cuthbert and St Charles are. We also spent time singing together.

Why not practicing singing this song to remind you that God is always with us.
