Our school uses:

Read Write Inc. Spelling for our children in Years 3 to 6

Read Write Inc. Phonetically decodable individual home reading books.

Read Write Inc. Phonics is used by over a quarter of the UK's primary schools. It is a comprehensive literacy programme, weaving decoding, comprehension, writing and spelling together seamlessly. Ruth Miskin developed the programme during her time as a headteacher in Tower Hamlets. She believes that in order for a school to be successful, every headteacher needs to adopt a consistent whole-school approach to teaching reading, writing and spelling. Fidelity to the teaching programme, rigorous assessment, tracking and one-to-one tutoring ensure that schools guarantee progress for every child.

Read Write Inc. Spelling embeds impressive skills, quickly and effectively filling the gaps in children's knowledge. To keep children engaged, aliens introduce spelling rules on an exciting online spelling planet and children can complete quick-fire activities in their spelling logs. Progress is accurately recorded using practice tests and teachers learn how to move children on quickly. For more information on Read Write Inc. Spelling go to:
