

Strong start to year 1

During the first weeks of term, we will be taking the time to recap our learning from last year as well as have lots of opportunities to re-connect with our friends and teachers as we explore the theme of **The colour monster** and **We're going on a bear hunt**.

Reading

This week we will be joining our new phonic groups to practice our speed sounds that help us with our reading. We will also work hard to make sure we are using them in our writing in different lessons too!

Ask me which book I am reading this week!

PSHE - Jigsaw

As we return to school, we will be having regular check-ins with all children to make sure they are happy as they settle back into school. In our Jigsaw work, we will also be exploring how we can keep ourselves and other people safe as we return to school.

Theme

We have been basing our work on the book 'The colour monster' by Anna Llenas which focuses on feelings. We have been doing lots of work on how different feelings make us act. We will then be moving onto one of my favourite books 'We're going on a bear hunt' by Emlyn Rees and Josie Lloyd.

Maths

In Maths we have been focusing on finding one more and one less than numbers up to 10. We will also be looking at partitioning into equal groups and doubling.

You can watch the number blocks videos here:

<https://www.bbc.co.uk/iplayer/episodes/b08bzfnh/numberblocks>

RE

Our RE unit is all about Families

We will be looking at all types of different families as well as exploring what it means to be part of God's family.
