

Year 5

What will we be learning next week?

During the first weeks of term, we will be taking the time to recap our learning from last year as well as have lots of opportunities to re-connect with our friends and teachers as we explore the theme of **transport**.

Reading

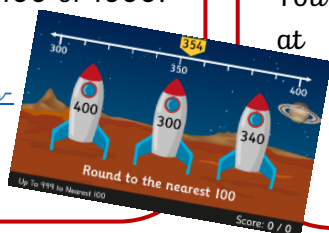

This week we will be focusing on the text, 'Voices in the Park'. We will be reading the text and using our detective skills to infer what we know about the characters from what the author and illustrations tell us. We will also be using text marking and scanning skills to retrieve information and key events from the text.

Maths

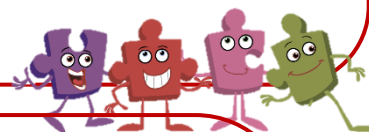

In Maths this week we will be looking at Place Value and what each part of a number represents. We will also be looking at reading, writing and comparing them as well as rounding them to the nearest 10, 100 or 1000.

You can also practice at home at <https://www.topmarks.co.uk/maths-games/rocket-rounding>

PSHE - Jigsaw

As we return to school, we will be having regular check-ins with all children to make sure they are happy as they settle back into school. In our Jigsaw work, we will also be exploring how we can keep ourselves and other people safe as we return to school.

Theme - TRANSPORT

This week we will be looking at different modes of transport and how they are used. We will be having a go at designing our own new method of transport and evaluating its use and effectiveness.

Writing

This week we will be looking at how we can add more detail to our writing through using fronted adverbials and subjunctive clauses and how we can use commas to punctuate these.

You can learn more about these at

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zp937p3>

RE

Our RE unit is all about Ourselves.

We will be looking at our special talents and how God made us all unique. We will also explore how we can use these special talents to live as part of God's hott family.
