

# St Charles Long Term Science Plan

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1	Biology Animals including Humans	Physics Seasonal Changes	Chemistry Everyday Materials	Biology Plants	Biology Plants	Biology Living things
Year 2	Biology Animals including Humans	Chemistry Everyday Materials	Biology Plants	Biology Plants	Biology Living things and their habitats - Land focus	Biology Living things and their habitats - water focus
Year 3	Biology Animals including Humans	Physics Forces and magnets	Chemistry Rocks	Physics Light	Biology Plants	Biology Plants
Year 4	Biology Animals including Humans	Biology Animals including Humans	Chemistry States of matter	Biology Living things and their habitats	Physics Sound	Physics Electricity
Year 5	Biology Animals including Humans	Biology Animals including Humans	Physics Earth and Space	Chemistry Properties of Materials	Biology Living things and their habitats	Physics Forces
Year 6	Biology Animals including Humans	Biology Animals including Humans	Physics Light	Biology Evolution and inheritance	Physics Electricity	Biology Living thing and their habitat

Topics

Biology - Animals including humans, Plants, Living things and their habitats, Evolution and inheritance

Chemistry - Everyday materials, rocks, states of matter, properties of materials

Physics - Forces and magnets, light, Earth and space, sounds, electricity
