ST CHARLES'
VC ACADEMY

July 2020

Dear Parents

Boris Johnson, our Prime Minister and the Department of Education has asked schools to prepare to welcome all children back this autumn. The planning, risk assessing, and logistics have already started, and we will update you as soon as we have arrangements about September to share with you.

The school closes for all children on Wednesday 15th July.

Just to remind you that school will not be open in the Summer Break to children of key workers.

We will not be contacting families during the traditional Summer Holiday period unless an emergency situation arises.

We will therefore be closing school for this Academic Year on Wednesday 15th July 2020.

Welfare calls:

Our staff will continue to telephone families over the next two weeks. The last calls will be two week beginning 13th July.

Home School Learning:

We know it has been tough, but we thank you for your ongoing support you have given your children over this lockdown period, you have been brilliant!!! The week beginning the 13th July will be the last week of our daily Home Learning Tasks.

Don't Forget – Could all parents please take home your child's medication on the last day of term, including inhalers. Please ensure that these are checked for dates and cleaned.

If your child has asthma from September 2020 the start of the new academic year, please ensure that they have their full inhaler (with spacer if appropriate) in school. If your child no longer requires their inhaler, please let the office know.

Good Luck!

Thought for the week

Sometimes it falls on a generation to be great. You can be that great generation. Let your greatness blossom.

Reading at St Charles

Can I please ask that you return all school reading books back to school before we break off so that we can audit what we currently have and look at the types of books we need to purchase.

The **MORE** that you
READ, the **more things**
you will **KNOW**.
The **MORE** that you
Learn, the **more places**
you'll **GO**.
