Remote Learning Plan - September 2021

At St Charles' VC Academy, our Mission Statement and Core Values underpin all the work we do both academically and holistically with the children. It is therefore paramount that these continue to be embed any work we do in the event of any period of self-isolation, bubble closures or local lockdowns.

Remote Learning Plan – September 2021

This plan outlines the three types of Remote Learning which will be offered to children if their learning is disrupted by Covid between September 2021 – July 2022. It is not anticipated that there will be a return to whole school closures nationally and class closures will be a last resort (see Covid Contingency Plan Sept 2021). However, it is likely that some children will have to miss school because they have asymptomatic Covid. It is also possible that, should there be a major Covid outbreak within school, whole classes may have to move to home learning for 10 school days. If your child is ill with Covid, or any other illness, they won't be expected to complete any home learning.

There are three different types of home learning available:

| Key Information | Type of Remote Learning | | |
|---|--|---|--|
| | Individual Isolation  | Whole Class/Bubble Closure  | Whole School Closure  |
| Who is this for? | This is for individual children who can't attend school because they have Covid, but don't have symptoms so can continue to access learning at home during isolation. | This is for whole classes who have been moved to remote learning for 10 school days because there has been a significant outbreak which continues to spread. | It is not expected that there will be a need to close the whole school as a result of Covid. However, should this be necessary, then this home learning will be provided. |
| How will the learning be structured? | As the teacher will still be teaching the rest of the class in school, the teacher will provide: <ul style="list-style-type: none"> • Access to lessons online via PowerPoint / Pre-recorded lessons in reading, writing and maths lessons as well as other curriculum subjects. • Supporting activities and tasks will be shared on Google Classroom so that children can | As the whole class will be working from home, the teacher will teach a special unit of work designed for a two week bubble closure, following the long term plan where possible. It will include at least 4 hours a day of learning, including: Reading/ phonics, Writing and Maths lessons & wider curriculum subjects: <ul style="list-style-type: none"> • Video tutorials and presentations made by the teacher to support | As the whole school will be working from home, the teacher will provide learning via Google Classroom.
