

Cultural Capital and Curriculum Enhancement

At St Charles, we view 'cultural capital' the accumulation of knowledge, behaviors, and skills that a person can draw upon, both now and in the future to help them be part of modern society, We ensure that children are exposed to a wide range of experiences that will develop their cultural capital and give them an advantage in later life.

Throughout my time in Key Stage Two at St Charles, as a member of the school community, I will ...

Visit different places of worship.

Explore museums in Hull

Study a range of artists from different cultures around the world

Take Part in different History Days

Celebrate different languages from around the world.

Work with other children in different schools in Hull

Visit a different City

Consider different careers

Have swimming lessons

Deepen my understanding of literature, art and technology including a trip to Ferens Art Gallery

Learn about different cultures through a range of experiences

Watch and take part in performances

Learn about Judaism and Islam and their different beliefs and celebrations

Go on a residential visit
